Send your seminar paper through the Email: sociologyskwc@gmail.com or, through
Whatsapp No: 9436207315 / 9862722530 / 7005339010

Date: 21st February, 2023

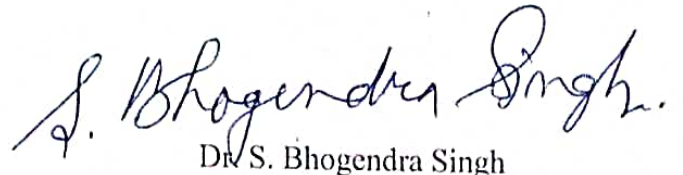

Venue: Room No: 17; Parents Building, S. Kula Women's Collage, Nambol, Manipur.

Theme: Health is one of the most important indicators of development in any types of society. Community health and hygiene help to prevent infectious diseases from spreading throughout a neighbourhood, school/college compound, office space, and other social space. Healthy Life styles and Hygiene practiced regularly creates healthier communities. On a more global scale, community hygiene helps save lives of the world's children and youth population.

Sub Themes:

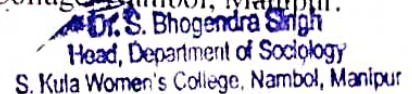

School/College Health and Hygiene; Community Health Services; Community role on Preventable diseases; Health & Personal Hygiene, Environment & Health issues etc. etc.

Organised by: Department of Sociology,
S. Kula Women's Collage, Nambol, Manipur.

Dr. S. Bhogendra Singh
