### About the Workshop

The Department of Botany, S. Kula Women's College is organizing a 'One-week National Workshop cum Hands-on training programme on Mushroom Cultivation (*Schizophyllum commune*) and Organic Manure production' with an aim to enrich the different faculty members of colleges about the knowledge of Mushroom cultivation and organic manure production which is in the curriculum of NEP 2020, Skill Enhancement Course (SEC) of B. Sc. Botany. Further, it also aims to foster entrepreneurship and skill development among farmers, students and youth of the state. This is the first ever event organized by the department since its establishment. Trainees will be taught knowledge of cultivation of Kanglayen (*Schizophyllum commune*) and organic manure production with rich practical experience. Our goal is to ensure that the trainees get sufficient knowledge to start his/ her own enterprises on the completion of the workshop.

We believe that it will give a much needed boost among students, farmers and youth in fulfilling their dream of becoming a progressive entrepreneur.

### About the department

The Department of Botany of S. K. Women's college establishment coincided with the establishment of the college in the year 1981. In the beginning, the department offers Biology course to XI & XII classes and 3 year degree course in botany. Later, since 2006, the department offers only 3 year degree course in botany, both general and honours. Presently there are 5 regular faculty members in the department, 1 regular Lab assistant, 1 regular lab attendant and 2 utilized attendant in the department.

### How to reach the college

S. Kula Women's college is located 18 kms away from the Imphal city on the Imphal-Tiddim Road. It is well connected through public transport from Imphal Khwairamband Bazar, Thong nambonbi. Various transport like bus, winger and auto-rickshaw ply along the road
