About the college

S. Kula Women's College was established in the year, 1981 exclusively for girls with an initial objective to disseminate knowledge of higher education to the women especially in the rural areas of Nambol under Bishnupur District of the State of Manipur. S. Kula Women's College has since progressed to become one of the top performing colleges in Manipur. The college is a multi-faculty college offering several undergraduate programmes in Arts, Science, Commerce including Applied Sciences and Vocational Courses.

The college is affiliated to the Manipur University and recognized by the UGC under Section 2(f) and 12(b) of the UGC Act. The college was initially run by a Governing Body which was registered under the Societies of Registration Act, 1860 and a partly Government aided private college since the year, 2008-09 receiving the grant-in-aid in the form of recurring Lump-sum Grant and Development Grant only. The Government of Manipur then extended a full-fledged grant-in-aid with effect from November, 2011 before taking over the college and making it a full-fledged Government College in 2019. The college is conferred "Colleges with Potential for Excellence" by the UGC in 2006, and subsequently the college could achieve NAAC Grade "A" in 2012, as a first of its kind in Manipur.

The college is committed to providing a holistic education to develop individuals with integrity, emotionally and mentally harmonious, physically capable as well as socially and culturally educated to become upright citizens of the nation. Our well-experienced and dedicated faculty, state-of-the art infrastructure, numerous value-added courses, ample facilities for all-round growth of our students are some of the salient features of S. Kula Women's College.

About the FDP

The programme will enable teachers to understand the best suitable practices for a classroom setting. It will also improve the quality of teaching and the way it is received by the students. It will also enhance the faculty members with deeper understanding of the different types of questions e.g. Recall, comprehension, application, analysis and their appropriate use in various in educational context. The programme will also improve understanding of assessment criteria, enhanced feedback skills, increased consistency in evaluation, adoption of best practices and improved students' performance.

Objectives

To make the teacher acquainted with teaching and evaluation methods oriented towards outcome-based education.

To use various innovative teaching learning methods to improve student engagement and learning outcome.

To familiarize the teachers with various modes of setting the question papers.
