An Outreach Program of the Biotechnology Ignition Grant (BIG), Sponsored by the Department of Biotechnology, BIRAC, Government of India was held on Saturday, 17th of September, 2022 at the Conference Hall of the S. Kula Women's College, Nambol. The programme was chaired by Dr. W. Robindro Singh Principal, S. Kula Women,s College, Nambol as the President and Mr. Salam Chandrakumar Singh, Head, Department of Chemistry as Chief Guest.

Dr. Rajiv Kangabam, Manager-BIRAC Regional Techno Entrepreneurship, Promotion Centre, KIIT TBI, Bhubaneswar, Odisha was the Resource Person of the programme.

Starting the programme with President, Chief Guest and Resource Person on the dais

Resource Person delivering the Technical Session

The programme was an eye opener for all the faculty members and students present. It enlightened all those who have an exciting idea which may be in the nascent and planning stage and there is in need for mentorship and initial funding. The Biotechnology Ignition Grant will definitely help to support and nurture these early starters and their concepts.

We the Department of Food Technology, would like to thank Dr. Wahengbam Robindro Singh, Principal, S. Kula Women's College, Nambol for giving permission to organise this programme. We would like to acknowledge all the teaching, non-teaching and students for attending and making a fruitful programme.
