ACKNOWLEDGEMENTS

I would like to convey my profound gratitude to our project mentor Dr. Romesh Sagolshemcha, Asst. Professor, Dept. of Biotechnology, S.Kula Women's College, for his able guidance and support in the completion of my project.

I would also like to thank our Principal, Dr. W. Robindro Singh and our Head of Department, Biotechnology, Dr. L. Ishwori for the opportunity given and for providing us with all the tools and equipment necessary for the undertaking of this project.

Last but not least, I thank all the teaching and none teaching staffs of the Department of Biotechnology, who have helped and guided me, directly or indirectly through the years to make this project a possibility.

Also, a special thanks to Miss. Thokchom Pusparani Devi for the invaluable time and dedication, she'd given in helping us with this project. And to my friends, my group members, this project would not have been successful without your inputs, cooperation and encouragement.
