Action Report	The FDP aimed to equipped faculty members with an understanding of the key aspects of the National Education Policy (NEP) 2020, focusing on teaching methodology, question formulation, and the evolving evaluation process in higher education. The objective was to align the faculty with the vision of NEP 2020, which seeks to bring transformational reforms to the education system.		
Outcomes / Impact of the activity	The <b>Faculty Development Programme on Perspective Education, Question Setting, and Evaluation under NEP 2020</b> was a highly successful initiative that created significant positive changes in teaching and assessment practices among faculty members. The outcomes of this FDP have set the stage for the long-term adoption of NEP 2020 in the institution, ensuring that faculty are equipped to		

	<p>provide high-quality, student-centered, and innovative education. Faculty members are now better prepared to meet the challenges and opportunities of the modern educational landscape and to contribute to the successful implementation of NEP 2020.</p>
<p>Feedback</p>	<p>Propose to organize a more such FDP.</p>
